8. Major Activities carried out for the month of January’19

1. Our Chief Educational Officer Mr.Sathyamurthy awarded as “Elainjargalin Vazhikatti” from Indian People Rights Organization on 15th February’19. Mr.Sathyamurthy was running a free tuition center at karapakkam government school for the past 15years. Many 10th, 11th and 12th students have benefited in his center. Every year he spends around 1.5 to 2L of his personal money to pay fee for poor and needy students, renovating government school infrastructure. His service is greatly appreciated. May god bless him for his selfless services.

Project-2: Initiated our Second project under Udavum Karangal scheme – Sangilivadi primary government School, Harur, Dharmapuri District

Under this scheme we have identified one more remote **Government Primary School in Sangilivadi primary government School, Harur, Dharmapuri District** to renovate their toilet facilities, fixing doors and painting school buildings and toilets. Their basic toilet facility was very bad that it could easily spread infections to the students. So, we have taken up this renovation work and initiated the renovation work on 30th January'19 under the leadership of our chief educational officer **Mr.Sathyamurthy** and monitoring under our member **Mr.Presnev**. The following renovation works have been initiated and hopefully the project would be completed by 12th February-2019. The total budget for the work was estimated around **Rs.30,000/-**

- Flooring works
- Door fixing (6 Doors)
- Water tank cleaning and renovation
- Pipeline and tap fixing
- Painting works for toilets and school buildings
